Purpose and Scope

This report has been prepared by Auto Verifi solely for the purpose of vehicle asset verification in connection with a lender's finance application, asset security assessment or ongoing asset verification requirements. It is not a comprehensive vehicle inspection, mechanical assessment, valuation or certification of ownership.

AI Scan Technology and Data Capture

Vehicle images, identification details, inspection date, time and geographic location are captured and/or processed using Auto Verifi's AI-enabled scanning technology. Information may be automatically extracted, interpreted and recorded using artificial intelligence, optical character recognition (OCR), device metadata and location services. While reasonable measures are taken to support data accuracy, AI-generated or extracted information may contain errors, omissions or inaccuracies. Date, time and location records may depend on device settings, GPS availability, network connectivity and other technical factors. Such information does not independently establish that a vehicle or its identifiers are authentic.

Inspection Limitations

The inspection is limited to the information, images and vehicle attributes captured and recorded at the time of assessment. Unless expressly stated otherwise, Auto Verifi does not: guarantee the authenticity, originality or integrity of the VIN, engine number, registration plates or other vehicle identifiers; certify the vehicle's mechanical condition, roadworthiness, safety, structural integrity or fitness for purpose; guarantee legal ownership, clear title, absence of encumbrances or freedom from fraud, theft or misrepresentation; verify the accuracy of the odometer reading or the vehicle's complete history; or warrant that all damage, defects, alterations or discrepancies have been identified.

Reliance and Liability

This report provides supporting information for asset verification purposes only. Any finance approval, lending, valuation or security decision remains the sole responsibility of the lender. Auto Verifi does not guarantee the accuracy or completeness of information obtained from third-party sources or generated through automated assessment processes. To the extent permitted by applicable law, Auto Verifi excludes liability for losses arising from reliance on inaccurate, incomplete or misleading information, except to the extent caused by its own negligence, breach of contract or other liability that cannot lawfully be excluded.

Legal and Regulatory Requirements

This report does not replace any identity verification, anti-money laundering, responsible lending, security registration, title verification or other due diligence obligations applicable to the lender under Australian law. Nothing in this disclaimer excludes, restricts or modifies any rights, guarantees or remedies that cannot lawfully be excluded under the Australian Consumer Law or other applicable legislation.

Report Validity

The findings reflect the vehicle and information available at the recorded inspection date and time only. Auto Verifi does not warrant the vehicle's subsequent condition, location, possession or ownership.

This Report is provided subject to the Terms and Conditions available on the Auto Verifi website and accepted by you when obtaining this report. (-https://www.autoverifi.com.au/terms).

Information contained in this report is compiled from a range of third-party, industry, commercial and government sources. While Auto Verifi takes reasonable steps to source and present information accurately, Auto Verifi does not independently verify all information supplied by these sources and does not warrant that the information is accurate, complete, current or free from errors or omissions.
